INFORMATION AND FORM FOR EXHIBITS IN OUR FRIENDS OF THE LIBRARY DISPLAY CASE

Thank you for your interest in our library display case exhibits.
The purpose of our library's display case is to showcase items of local historic interest, community memorabilia and to high light and acknowledge our non-profit organizations.

The topics have changed monthly, beginning in July 2004. Suggestions for topics are always welcomed as are helpful volunteers.

The display case is the higher one on the right upon entering the library.
The dimensions of the case are: 46" wide, 67" high and 14" deep. There are 3 adjustable (and removable) glass shelves, plus the bottom shelf where a shelf can be laid if not needed.

The case is always locked to protect the displays. The librarian keeps the key.
It is a policy that neither the Sussex County Library System nor the Friends of the Sussex-Wantage Library provide insurance coverage for the contents on loan.

Your contact information within the display is optional.
Please provide your information below.

Exhibitor – name(s) _____

Address _____

Phone _____ email _____

Request month for display – topic and description of items.

I understand that insurance coverage is not provided for my items. _____
